

The second International Conference on Environmental Science and Technology

Wyndham Greenspoint Hotel, Houston, Texas, USA – August 19-22, 2006

## Hotel Reservation Form

The conference attendees can reserve hotel rooms for themselves at group rates at the Wyndham Greenspoint Hotel directly. Because the hotel accepts credit cards for reservations only, some international attendees who do not have credit cards may need help from the conference. If you need help for reservations, please complete the following form and fax to (USA)-713-776-9767, or mail to Environmental Conference 2006, American Academy of Sciences, 9720 Town Park Dr. Ste 18, Houston, TX 77036, USA.

The hotel rooms are not only reserved for a single person, but also for a companion or for your whole family at the same price, \$89/night/room. It is not uncommon for two colleagues/students to share one room (two beds). If an attendee is willing to share one room with another person, we will try to find the person. If a roommate can not be found, the attendee has to pay for the whole room (\$89).
