- Call for Exhibits

Sponsored by American Academy of Sciences

Wyndham Greenspoint Hotel Houston, Texas, USA August 6-9, 2007

International Conference on Environmental Science and Technology

The objective of the Third International Conference on Environmental Science and Technology will be to provide a major interdisciplinary forum for presenting new approaches from relevant areas of environmental science and engineering, to foster integration of the latest developments in scientific research into engineering applications, and to facilitate technology transfer from well-tested ideas into practical products, waste management, remedial processes, and ecosystem restoration. Environmental humanity and sociality such environmental environmental ethics. law. as environmental economy and environmental management are also included in the scope of the conference. Researchers, engineers, site managers, regulatory decision-making agents, officials. consultants, and vendors will all benefit from the opportunity to exchange information on recent research trends, to examine ongoing research programs, and to investigate world-wide public and regulatory acceptance of environmental protection and remediation technologies.

Environmental disturbance and pollution are complex problems worldwide. The current development of modern science and technology combined with management on social and economic activities are contributing more and more to solution of the problems. Although considerable environmental protection work has been and is presently being conducted, multidisciplinary platform a for environmental scientists, engineers, management professionals and governmental officials to discuss the latest developments in environmental research and applications will be very helpful for protecting our global village.

The Conference Chair is Steven K. Starrett, Ph.D. P.E., D.WRE, he is a Professor at Kansas State University. Sponsors and the participating partners of the conference will include governmental, academic, and private organizations that are international leaders in environmental research and technology applications.

Presentation Topics

The Conference program will be comprised of several hundred platform and poster presentations, organized into sessions that will address a variety of disciplines and technologies as well as contaminants. The sessions will be chaired by internationally recognized leaders in environmental sciences and technologies. The following is a tentative list of sessions; the list will be revised as necessary or appropriate during the abstract review process.

01. Water Pollution and Water Quality Control

- 01-01 Rivers, Lakes and Estuary Systems
- 01-02 Watershed Management
- 01-03 Water Resources and Assessment
- 01-04 Non-point Sources
- 01-05 Contaminant Transport in Groundwater
- 01-06 Wastewater Discharge Management
- 01-07 In-Situ Measurement and Monitoring
- 01-08 Drinking Water Pretreatment and Protection
- 01-09 Water Quality Management
- 01-10 Nitrogen-Phosphorus Wastewater Biotreatment
- 01-11 Sludge Biotreatment
- 01-12 Industrial Wastewater Biotreatment
- 01-13 Municipal Wastewater Biotreatment
- 01-14 Adsorption for Wastewater Treatment
- 01-15 Coagulation for Wastewater Treatment
- 01-16 Reactions and Degradation of Wastewater Contaminants
- 01-17 Other Topics

02. Air Pollution and Air Quality Control

- 02-01 Aerosol
- 02-02 Air Quality Assessment and Management
- 02-03 Transport of Air Pollutants
- 02-04 Waste Gas Control Techniques
- 02-05 Air Pollutant Monitoring
- 02-06 Hazardous Gas Biofiltration
- 02-07 Catalysts for Reducing Emission
- 02-08 Air Pollution Prevention and Management
- 02-09 Noise
- 02-10 Other Topics

03. Land (Soil, Solid Waste) Pollution and Remediation

- 03-01 Contaminant Transport in the Subsurface
- 03-02 Natural Attenuation of Contaminants
- 03-03 In-Situ Remediation

- 03-04 Solid Waste Management
- 03-05 On-site and Off-site Remediation
- 03-06 Landfill
- 03-07 Biotransformation
- 03-08 Permeable Reactive Barriers
- 03-09 Waste Fuel Site Remediation
- 03-10 Waste Recycling
- 03-11 Radioactive/Nuclear Waste
- 03-12 Other Topics

04. Ecosystem Assessment and Restoration

- 04-1 Restoration of Ecosystems
- 04-2 Nutrients and Functions of Ecosystems
- 04-3 Ecosystem Assessment
- 04-4 Urban Ecology
- 04-4 Other Topics

05. Bio-Assessment and Toxicology

- 05-1 Human Exposure
- 05-2 Bio-response and toxicology
- 05-3 Bioavailability and Bio-accumulation
- 05-4 Ecotoxicology
- 05-5 Microbiology and Microbial Degradation
- 05-6 Bio-Weapon and Waste
- 05-7 Other Topics

06. Wetlands

- 06-1 Conservation and Geochemical Processes of Wetlands
- 06-2 Wetlands for Wastewater Treatment
- 06-3 Other Topics

07. Sediments

- 07-1 Contaminated Sediments
- 07-2 Assessment and Remediation
- 07-3 Other Topics

08. Global Change

- 08-1 Global Change
- 08-2 Sources and Control

09. Metals

- 09-1 Metal Distribution
- 09-2 Metal Behavior and Remediation
- 09-3 Speciation and Bioavailability

- 09-4 Phytoremediation
- 09-5 Other Topics

10. Chlorinated and Other Organic Compounds

- 10-1 Characterization of Organic Pollutants
- 10-2 Degradation of Organic Pollutants
- 10-3 Transport and Remediation
- 10-4 Other Topics

11. Modeling

- 11-1 Environmental Numerical Simulation
- 11-2 Water Quality Modeling
- 11-3 Other Topics

12. GIS, Database, and Remote Sensing

- 12-1 GIS for Environmental Assessment
- 12-2 Data Management and Statistics
- 12-3 Environmental Remote Sensing Applications
- 12-4 Environmental Information and Communication
- 12-5 Other Topics

13. Environmental Analysis and Measurements

- 13-1 Environmental Analysis
- 13-2 Field Measurement Technologies
- 13-3 Sampling Automation
- 13-4 Environmental Monitoring
- 13-5 Other Topics

14. Society and the Environment

- 14-1 Society and the Environment
- 14-2 Environmental Ethics
- 14-3 Economy and the Environment
- 14-4 Environmental Education
- 14-5 Environmental NGO
- 14-6 Other Topics

15. Environmental Planning and Management

- 15-1 Environmental Quality Assessment
- 15-2 Environmental Planning
- 15-3 Environmental Policy
- 15-4 Sustainable Development
- 15-5 Energy
- 15-6 Other Topics

Abstract Submission

Abstracts are to be prepared and submitted electronically according to the instructions given below.

Content. The abstract should indicate a brief summary of the research including: introduction, objectives, methods, results and conclusions. Case studies with novel approaches are especially desired.

Format. Abstracts (written in English) cannot exceed one page and must be prepared using standard PCbased MS Word software. Use a 11-point serif font (e.g. Times New Roman) and leave 1-inch (2.5-cm) margins left, right, top, and bottom. Center the title (maximum 12 words, all-caps, bold type) at the top of the page. Leave a blank line before beginning the author list, which also is centered. If several authors are from one organization, the organization need be typed only once. After each author or group of authors, use parentheses to enclose their affiliation institution (first level only, omit division, department, etc.), city, state/province (if applicable) and country. Bold and italicize the name of the presenting author. Leave a blank line after the authors and then begin the text, typing it singlespaced and justifying only the left margin. Leave one blank line between paragraphs; do not indent paragraphs. Authors can download an example from the Conference web site at http://www.aasci.org/ conference/env/doc/abstractexample.pdf.

Submission and Cover Note. Abstracts are submitted electronically via e-mail. Send the abstract to env-abstract@AASci.org. Receipt of the abstract will be acknowledged by e-mail. When submitting, include the necessary submittal data in a separate cover note, organized under the following format:

(1) Title: Title of abstract should not exceed 12 words. (2) Presenter and Address: Presenting author is the person expected to make the presentation at the Conference. Include all contact information - Name, highest degree, academic employment title, department, institution, street number and name, city, state/province, zip/postal code, country, telephone number, fax number, and e-mail address. (3) Author List: List full names of all coauthors and contact information – all the same as the presenting author. Indicate who is the corresponding author of the paper/abstract. (4) Presentation Preference: Indicate whether the author prefers a platform (oral) or a poster presentation. Refer to the suggested presentation topics in the list and select one to three sessions (e.g., 03-3, 09-2, 09-3). The author's preference will be taken into account, but placement cannot be guaranteed.

Review. The Scientific/Technical Program Committee will consider authors' suggestions as to session and format (platform or poster), but the final decision will be based on overall design of the Conference program. **Notification of Acceptance.** The Committee's decision on each abstract will be mailed to the presenting author. If the abstract was accepted, this letter will state the platform or poster session to which the abstract has been assigned and will provide instructions to prepare the presentation.

Proceedings. The proceedings will be published after the Conference. Manuscripts will be invited for all abstracts accepted for platform or poster presentation; the submittal deadline will be May 31, 2007. Submission of the full papers is encouraged but not necessary for the attendance.

Paper Awards

Student Paper Award. The first author of the paper must be a full-time student when the paper is submitted for the student paper competition. Advisors and other co-authors may be listed, but the paper must be presented (either platform or poster) by the student. Winning papers will be selected in July, 2007 and will be recognized during the Conference.

Young Scientist Paper Award. The first author of the paper must be a young scientist under 40 (born after 3/1/1966) when the paper is submitted for the Young Scientist Paper Award competition. Other co-authors may be listed, but the paper must be presented (either platform or poster) by the Young Scientist candidate. Winning papers will be selected in July, 2007 and will be recognized during the Conference.

Conference Paper Award. Outstanding papers will be selected for the Excellent Paper Award. Winning papers will be selected in July, 2007 and will be recognized during the Conference.

Poster Award. Outstanding posters will be selected for the Poster Award during the poster presentations. Winning posters will be recognized after the Conference.

Call for Exhibits

Institutions that conduct environmental-related activities or supply equipment used in environmental work are invited to exhibit at the Conference. Exhibits will be displayed throughout the Conference in a large area adjacent to the platform and poster areas. Exhibitors will have the opportunity to present information to a large, focused audience of up to 1,500 people who acquire and use environmental research/management products and/or services at industrial and government sites around the world. The fee for an 8-ft by 10-ft booth and standard furnishings is \$990; a discounted fee of \$890 applies if payment is made before May 31, 2007. For exhibitor information and an application form, send an e-mail to exhibit@AASci.org. Exhibit space is limited and will be assigned on a first-come/first-served basis.

Advance Registration

The Conference encourages you to register early - registrations will be limited to the number that the facility can accommodate efficiently. Anyone who is interested in the conference is welcome to register regardless of submitting a presentation abstract. To register, go to <u>http://www.AASci.org/conference/env/2007/registration1.ht</u> <u>ml</u> and register on line or download/print a form (http://www.aasci.org/conference/env/2007/registrationform .pdf) for registration by mail or fax. Registration fees are as follows:

	Paid by April 30, 2007	Paid by June 15, 2007	PaidafterJune15,2007
Standard	US\$660	US\$750	US\$830
Full-time Student	US\$400	US\$420	US\$450

The registration fee covers admission to all platform and poster sessions, exhibits, receptions, and refreshment breaks. Registration materials will include the final program and a set of abstracts. Each full-program registrant will receive a set of the proceedings, which will be published by a press and mailed after the Conference.

Payment can be made by American Express, MasterCard, or Visa. Cash, wire transfer and money orders are also accepted. You should contact us first if you use wire transfer. Checks should be drawn on **a U.S. bank**, payable in U.S. funds to "American Academy of Sciences" and referencing "Environmental Conference". The postal address is "ATTN: Environmental Conference, American Academy of Sciences, 9720 Town Park Dr. Ste 18, Houston, TX 77036, USA". Cancellations received by June 30, 2007, will be refunded. No refunds will be made after June 30, 2007, but paid no-shows will receive proceedings covered by their registration fees. Substitutions will be accepted at any time, preferably with advance notice.

Because registration fees are the major source of funding for the Conference and a significant percentage of the registrants will make presentations, all presenting authors and session chairs are expected to register and pay the standard fees.

Meeting Site/ Accommodations/Travel

Conference Headquarters/Accommodations.

The Conference will be held at the Wyndham Greenspoint Hotel (12400 Greenspoint Drive, Houston, Texas 77060, USA) in Houston. Time will be allowed within the program's schedule to take advantage of the scenic locale, and optional pre- and post-conference activities will be available for conference delegates and their companions.

Rooms at the hotel sell out months ahead. Therefore, the Conference secretariat has reserved the largest possible block of sleeping rooms at the Wyndham Greenspoint Hotel. It is impossible to guarantee that rooms will be available for late registrants. It is extremely important that you make your hotel reservation as soon as you know that you likely to attend the Conference. Conference registrants can reserve rooms at the Wyndham Greenspoint Hotel at the reduced group rate of \$89/night (single or double beds/room) plus tax.

Room rate	Rate
Single (One Person)	\$89
Double (Two Persons)	\$89
Triple (Three Persons)	\$99
Quadruple (Four Persons)	\$109

Comparable discounts in rates for suits are available. These rates are good through July 12, 2007, unless the block sells out before that date. If an attendee prefers to share a double-beds room with another attendee, please Conference Secretary contact the at envconference@AASci.org. The hotel will begin taking reservations on February 1, 2007. To reserve a room at the Wyndham Greenspoint Hotel, call the Wyndham's Global Reservations Center at 1-866-933-STAY or 1-281-875-2222. To qualify for the group rate, mention that you are attending the "International Environmental Conference". Attendees can access the website at http://www.wyndham.com/groupevents/994AASCI/main.wn t and follow the instructions to make an online reservation. There is no need to type in a "group code", the group code for our 2007 conference will already be typed in for you when you get to this reservation page. A direct link to the reservations has been set up at our website (http://www.aasci.org/conference/env/2007/hotel.html).US Government attendees will have to call the hotel to receive the government per diem rates. If you have any questions on please reservations, email the send to reservations@Wyndhamhouston.com.

Travel. It is 7.5 miles (12 KM) from the George Bush Intercontinental Airport Houston (IAH) to the Wyndham Greenspoint Hotel.

Internet Access. Internet access will be provided for conference attendees at the exhibit area. It will help the attendees to keep contacts with their families and affiliation during the conference, and check travel/weather information before departure.

Conference/Social Activities. Conference/ Social Activities will potentially include city tours, NASA Johnson Space Center visit, a trip to an area research lab, and/or a field project visit. Detailed activity information will be posted on the conference web site as it is determined.

Inquiries

Questions on abstract submission and review: E- mail: env-abstract@AASci.org

Exhibits: E-mail: <u>exhibit@AASci.org</u>

Registration: E-mail: <u>registration@AASci.org</u>

Other questions: E-mail: <u>env-conference@AASci.org</u>

Always check updated information online at: http://www.aasci.org/conference/env/2007

Regular mail: Attn: Environmental Conference 2007 9720 Town Park Dr. Ste 18 Houston, TX 77036, USA

Please be sure to specify that you are inquiring about Environmental Science and Technology Conference and include your complete mailing address and phone/fax/e-mail information.

Order Previous Proceedings

Proceedings of Environmental Science and Technology 2005 and 2006 are available for on-line and off-line ordering. For more details, please visit the web site at http://www.aasci.org/bookstore/est2005order.html.

REGISTRATION FORM 3rd International Conference on Environmental Science and Technology (ICEST2007) (August 6-9, 2007, Houston, Texas USA)

Registration Fee: (please check X)

By 4/30	By 6/15	After 6/15	
Standard: □ \$660	□ \$750	□ \$830	
Student: D \$400	□ \$420	□ \$450	
Credit Card: □Visa,	□Master, □American Express.		

Number:

Expiration date (mm/yyyy): _______Card holder: _______Cardholder signature: _______

 \Box Wire transfer, \Box Check (US bank only), \Box Money order

Bank and account information (for wire transfer) Please send email to <u>env-conference@aasci.org</u>

Guest Room Reservations: (\$89/night/room, please check) □8/3;□8/4,□8/5; □8/6; □8/7; □8/8; □8/9; □8/10;□8/11; □8/12 □Single; □Double;

It is important that each attendee contacts the hotel at least **twenty-one days prior** to your arrival date, or *July 12*,

2007. Please contact the hotel directly, or send your information to us for the reservation. If you decide to reserve via us, the total fund can be calculated as follows: [(\$114.54 x night number) = \$_____A more detailed reservation form can be downloaded from http://www.AASci.org/conference/env/2007/reservation.pdf.

Mail this Form to: Environmental Conference 2007 American Academy of Sciences 9720 Town Park Dr. Ste 18 Houston, TX 77036

Or **Fax:** 713-776-9767 Or **Email:** env-conference@AASci.org
