

Full Paper Format, Submission, Schedule, and Award Evaluation Criteria

I. Paper Format.

All papers should use the paper-format described in the file posted at the conference web site, <http://www.AASci.org/conference/env/2007/paper-format.pdf>.

II. Paper Submission

When submitting your full papers to env-paper@AASci.org for the paper award competition, please write your paper award type and paper/abstract reference number in the Subject row. For example, if your paper (with an abstract reference number 250) is for the Student Award competition, you may input "Paper for the Student Paper Award Competition, #250" in the Subject row of your email message. The papers submitted after May 31 will not enter the Paper Award competition process. Only those papers indicating their competition wishes in the Subject row will be reviewed and evaluated.

The Conference encourages all presentations to submit a full paper for competition and publication, but it is not required for authors to submit a full paper.

III. Paper Submission Schedule

All papers submitted for the award competitions should be received by May 31, 2007. Papers to be considered for the proceedings can be submitted up until the time of the conference.

IV. Paper Evaluation Criteria

1. Importance/Originality of research topic(s)
2. Significance of conclusions
3. Quality and depth of research
4. Paper organization and writing quality
