

A NEW REFUTATION OF THE CLASSICAL CONCEPT OF TIME IN QUANTUM RELATIVITY

Albert Einstein and *Kurt Gödel* (Princeton University, Princeton, NJ, UAS)
P. A. M. Dirac (Cambridge University, Cambridge, London, UK)

ABSTRACT: Experiments were conducted to ...

INTRODUCTION

Widespread use of ...

MATERIALS AND METHODS

Initial Sampling and Enrichment. Chromate resistant microorganisms were ...

Batch Reactors. A 4.5 liter fermentation unit was ...

Metal Analysis. Chromate was ...

RESULTS AND DISCUSSION

Isolation and Characterization of the Mixed Culture. All the isolated ...

Mixed Culture Growth and Transformer Oil Degradation Tests. The kinetics of biomass production ...

CONCLUSIONS

This study demonstrates that ...

ACKNOWLEDGEMENTS

This research was supported by ...
