Dear Permissions Manager:

I am preparing a paper to be collected in *Proceedings of the First International Conference on Environmental Science and Technology*, to be published by Science Press in 2005, I would like to include material from the following source:

Author: _____

Title, edition, published date: _____

Material to be included:

Figure or table number(s): _____

Expected to appear in my paper as Figure or Table number(s): _____

Quotations as follows:

Approx. Numbers of Words

Pages

Opening Words

Closing Words

I request permission to reprint the specified material in my paper and in future revisions and editions thereof, for possible licensing and distribution through the world in all languages. If you do not control these rights in their entirety, please tell me whom to contact. Proper acknowledgement will be given (for book: title, author/editor, publisher, city, copyright date; for journal articles: author, article title and first page, journal title, volume, and year). For your convenience, you may simply sign the release form below. Thank you.
