Editing Services for Non-English Speaking Authors. *BoldFace Editors, Inc.* has provided international editing services since 1987. This Company specializes in the editing of manuscripts, posters, abstracts and PowerPoint slide presentations prepared by non-English speaking authors from countries worldwide. If you need help with preparation of your manuscript or presentation, please contact Neil M. Singer at boldfaceeditors@comcast.net (fax # 203.469.0870) for further information about their services and prices. It should be noted that this company is not an affiliated organization of the conference. Please use your own best judgment if you contact them about services.

Similar services can be found at the following web sites:

<http://www.writersservices.com/services/index.htm>

<http://www.jeanweber.com/about/>

One would have to weed through these to find those best suited to technical manuscript editing.
