Up-dated Conference Information (EST2005)
(October 22, 2004)

Papers included in the Conference Proceedings. All papers for poster and platform presentations will be published in the same proceedings regardless of registration types (regular, university or student).

Anyone who wants to submit his paper for publication in the conference proceedings should submit the electronic version of the paper to paper@AASci.org before October 31, 2004.

Paper Format. Instructions for preparing the papers have been posted at:
http://www.aasci.org/conference/env/doc/proceedingspaperformat.pdf
http://www.aasci.org/conference/env/doc/article-example.pdf

All tables and figures should be placed appropriately within the body of the text rather than attached as separate sheets.

Registration Discount. The due date for advance registration will be October 31, 2004:
http://www.aasci.org/conference/env/registration.html or
http://www.aasci.org/conference/env/registrationform.pdf

Cancellation. If anyone has decided to cancel his conference attendance for any reason, **please notify us immediately**. There are dozens of late-submissions awaiting possible acceptance for platform (oral) and poster presentations.
