

Hotel Reservation Form

The conference attendees can reserve hotel rooms for themselves at group rates at the Fairmont Hotel directly. Because the hotel accepts credit cards for reservation only, some international attendees who do not have credit cards may need help from the conference. If you need help for reservations, please complete the following form and fax to USA-504-486-6332, or mail to Environmental Conference 2005, American Academy of Sciences, 6464 Avenue B, New Orleans, LA 70124, USA.

The hotel rooms are not only reserved for a single person, but also for a companion or for your whole family at the same price, \$169/night/room. It is not uncommon for two colleagues/students to share one room (two double beds). If you are willing to share one room with another person, we will try to find the person.
